### WHAT TO EXPECT ON THE TRIP:

We travel as a group and help arrange transportation, meet and greets, etc. but everyone can join in or be on their own as much as they like!

We plan optional group activities for our participants, some may be free, others may ask for a "donation" and some may have a cost. We will finalize activity options in September before our trip and provide everyone an itinerary. It will likely include:

- Community Events Celebrating Loreto's Founding in 1697 in the Plaza - Music, dancing, presentations, etc.
- A Walking tour of Historic Loreto including the Ayuntamiento (City Hall), the Mission of Our Lady of Loreto Concho (first Mission established in all the California's), and the Mission Museum
- A Boat Trip to Coronado Island for ocean, beach, and island trails activities
- Classes: Cooking with Mexican Chef / Mixology using local herbs and licors
- A Driving Trip up to San Javier Mission in the Sierra Giganta Mountains and a visit to a working Goat Ranch. We will (hopefully) milk goats and make goat cheese and tortillas!
- Fishing Trips can also be arranged
- Visits to the Loreto Bomberos/Paramedicos (Firefighters) and Casa Hogar (Group Foster Care Home) (Two of HBSCA's signature support programs)
- Any other ideas, suggestions? We want you to enjoy your visit to Loreto!
