

Hermosa Beach Sister City Association Invites you to our NO-GO Gala

PLEASE DO NOT Attend... BUT...

PLEASE DO SHOW your support by donating from the comfort of your couch!

*Specialty Margaritas will NOT be served...
unless you're making them at home!*

In 1967, Hermosa Beach formed a "sister city" relationship with the city of Loreto, in Baja California Sur, Mexico, and thus was formed the Hermosa Beach Sister City Association (HBSCA). This serene, picturesque fishing village is located on the Sea of Cortez in the southern part of the Baja California peninsula. Over the years, we have forged a very close bond with Loreto and its citizens. With assistance and guidance from the HBSCA, Loreto has improved the quality of life for its residents and created many opportunities for first responders, students, and families.

The HBSCA is a United States Congressionally-recognized program.

Loreto needs our support for paramedic training and equipment, the student exchange program, support for Casa Hogar (group foster care facility in Loreto,) and more!

We are asking you, our friends, to continue to support our mission however you can.

Your donation is 100% spent on our activities to promote peace and cultural understanding through our people to people programs.

THANK YOU FOR YOUR CONTINUED SUPPORT!!
